Yurts!

Enjoy the year-round comforts of a domed tent with structural support, a wood floor, a lockable wooden door, lights, heating, and beds with vinyl-covered mattresses. A bunk bed sleeps three, and a futon couch sleeps two. A fire ring, picnic table, and paved parking are right outside. Up to two pets (cats and/or dogs only) are allowed in the pet-friendly yurt for an additional fee.

Smoking in Oregon State Parks is allowed only in personal vehicles, RVs, campsites and portions of day use parks along state highways that are designated as safety rest areas by the Oregon Department of Transportation.

Horse Play

The park's horse camp near the beach has three double and five quadruple corrals. You can enjoy four miles of ocean beach and 11 miles of designated trails for riding when visiting Bullards Beach with your horse.

Trails for Hiking and Biking

The campground is just over a mile from the shore, and trails lead to the beach as well as to acres of dunes. Bring your bicycle for a fun ride on the hard-packed sand; just remember to always keep an eye on the ocean.

A Learning Environment

Junior Ranger activities designed for ages 6-12 years are a fun way for kids to learn about salmon, wildlife, bicycle safety, and river travel. Check at the registration booth for current schedules and information.

Visitors of all ages can enjoy history, nature, and entertainment programs in the park's amphitheater, offered on select evenings from mid-June through September.

Visit the Lighthouse

The historic Coquille River Lighthouse, built in 1896, stands at the end of the park's beach access road. Decommissioned in 1939, it no longer serves as a navigational aid. The "fog room" contains historical displays and a small gift shop; the proceeds support renovation efforts. The lighthouse is open for interpretive tours led by park volunteers from mid-May through mid-October. Call the park office at 541-347-2209 to get information about hours of operation or schedule large group tours.

More to See and Do

Bandon by the Sea: Visit the shops, galleries, and restaurants in Old Town Bandon, the center of a community called either "The Cranberry Capital of Oregon" or "The Storm-Watching Capital of the World," depending on the season. For more information about activities in Bandon, stop by the visitor information center in Old Town.

Nearby state parks: Across the river near Bandon, **Face Rock State Scenic Viewpoint** overlooks an impressive offshore monolith and a beach full of statuesque rock formations.

A trail leads to the beach, where rocky intertidal areas appear at low tide. A few miles farther south on Bandon's Beach Loop Road, **Bandon State Natural Area** offers more beach access and great views.

Western snowy plovers nest along some parts of the Oregon coast. Watch for special signs during nesting season.
