

A Few of Our Residents

Barred Owl

Steller's Jay

Pacific Wren

Other year-round residents include Great Horned Owl, Golden Crowned-Kinglet, and Spotted Towhee.

Pileated Woodpecker by Bob Herrmann, Barred Owl by Rhett Wilkins, and Steller's Jay by Tim Zurowski.

Birding Tips

- Listening is the key to good birding in Tryon Creek SNA. Let your ears guide you to the birds even if you cannot yet identify the songs or calls.
- Being slow and quiet will allow you to approach the birds more closely.
- Stay on designated trails so as to encourage the birds to feel safe in our forest.
- Be patient and persistent in your quest to see field marks.
