Smoking in Oregon State Parks is allowed only in personal vehicles, RVs, campsites and portions of day use parks along state highways that are designated as safety rest areas by the Oregon Department of Transportation.

**Need to cancel** your reservation? Follow these guidelines: If your reservation is for today, call 541-869-2365. Otherwise, call 1-800-452-5687.

### An Oregon Trail Rest Stop

After following the Snake River for 330 miles, Oregon Trail pioneers rested above the bend in the river, then bid farewell and continued their journey. Wagon ruts are still visible near the park.

Restored cover wagons sit at the park entrance and next to the Oregon Trail kiosk. Two Oregon Trail sites are located within two miles of the park. Information is available at the registration booth. For more information, visit the Natural Historic Oregon Trail Interpretive Center on Flagstaff Hill just east of Baker City.

### Cabin Camping

Stay at the park while enjoying a roof over your head by renting one of our log cabins from May 1-Sept. 30. Each cabin is 13' X 13' with a 6-foot long porch. A full bed and two bunks with vinyl-covered mattresses sleep four people. Each has electricity, heat, and air conditioning.

### Brownlee Reservoir

The park's boat ramp and docks lead to Brownlee Reservoir. To check on current reservoir levels, call the park at 541-869-2365 or Idaho Power at 1-800-422-3143. You can also visit [www.idahopower.com](http://www.idahopower.com). Brownlee Reservoir has excellent catfish, bass and crappie fishing. There is a fish-cleaning station by the boat ramp parking lot.

### Day-Use Parking Fees

Day-use parking permits are required year-round. You must display a daily permit, a 12- or 24-month permit, or your camping receipt. Your camping receipt is equal to a daily permit for each of the days you are registered. You can purchase a daily permit at the registration booth or at a day-use fee station. The 12-month and 24-month permits are sold at major state park offices or call 1-800-452-5687.

### Nature Shows

Wildflowers decorate the hillsides at Farewell Bend in the spring and summer. If you're lucky, you'll see wildlife like deer, pronghorn antelope, geese, eagles, and quail. Evening interpretive programs are presented from Memorial Day through Labor Day. See the park host for current schedules.

In 1870, 14 years before the railroad arrived in the area, Miller's Stagecoach Station was established in nearby Huntington. The town soon became a shipping point for cattle.
