Bring Your Horse

Our horse camp has eight primitive sites, four single-horse corrals, and two double corrals, each accommodating two horses. Please keep the corrals free of straw and manure.

Trails for Hikers and Horses

Hiking trails lead to the beach, viewpoints overlooking the ocean, fishing spots along the Sixes River, and the lighthouse. On horseback, follow a seven-mile trail or enjoy a 150-acre open riding area across from the horse camp. Horses are allowed on designated trails only.

Cape Blanco Lighthouse

The oldest standing lighthouse on the Oregon coast towers 245 feet above the ocean. Managed by the Bureau of Land Management, the lighthouse was commissioned in 1870. Tour the lighthouse April through October and during the holidays (541-332-2207, capeblancoheritagesociety.com).

Historic Hughes House

Constructed in 1898 for a rancher, the Hughes House is an ornate, two-story, 11-room ranch house. The 3,000-square-foot building, constructed of old-growth Port Orford cedar at a cost of \$3,800, is listed on the National Register of Historic Places. Tours are offered April through October and during the holidays (541-332-0248, capeblancoheritagesociety.com).

The site of a former church, "Mary, Star of the Sea," and a cemetery lie between the campground and day-use area.

A History of Gold

The streaks of black sand in Cape Blanco beaches indicate the presence of gold. From the mid-1800s through the 1940s, mining operations were conducted on the south beach. The small pond at the south beach parking lot provided water for the sluices.
