- Camping

**Camping**
Almost every coastal state park campground has Hiker/Biker sites. The tent sites are first-come, first-served and are near water, restrooms and showers.

**Beach**
Beach camping is restricted within city limits, state park boundaries, and near snowy plover habitat areas (avoid orange fenced areas during nesting). Fires are not allowed upwind or near driftwood piles.

**Camping Note:** Camping is not allowed on the beach between the Necanicum River and the South Jetty of the Columbia River.

**Beach Safety Tips**
Know the tides
Incoming tides isolate rocks from headlands and the shore. Don’t walk to rocks without knowing when the tide will roll in. Free tide tables are available at state park offices, information centers and many shops and motels. Tide information also is available at the Manfield Marine Science Center website, http://hmsc.oregonstate.edu/weather/tides/tides.html

More Beach Safety Tips are available at www.oregonstateparks.org (Select Beach Safety)

Please note: From March 15-September 15 (the nesting season of the western snowy plover), some recreation activities may be restricted on sections of the Oregon Coast Trail. Watch for signs, and visit http://tinyurl.com/agrjqva for more information.
